

Genesee
Community
College

Dear High School Administrators, Parents, Guardians, and Students,

When this school year began, we certainly did not expect this is how we would be spending our spring! Even though many facets of life are uncertain, the *Adult Educational Opportunity Center (AEOC) at Genesee Community College* can provide some stability and guidance during this time. We are here to help your juniors and seniors with *FAFSA completion (including financial literacy and loan counseling), Common App submissions, scholarships, career planning, and much more!*

All of our services are provided at **NO COST** to participants and we provide assistance to all students no matter what institution, career, or path they decide to pursue. Our three outreach specialists are available via Zoom, Facetime, through e-mail, by text, or over the phone and by flexible scheduling, which means we are available to meet on whatever days and times are convenient for your students.

Please feel free to share this information with your high school junior and seniors. We want to help provide some hope for the future during this time. **E-mail aeoc@genesee.edu or call 585-345-6836.** Students can contact us individually, or if a school official would like to reach out (administrators, counselors, coaches, teachers, etc) to help a specific group of students, we can set up meetings in whatever way works best for your students. Once we receive your message, we will set up a meeting to get students on track for their future!

Sincerely,

Staci L. Williams
AEOC Director
